EXPERIENCE

BoopShaillyBoop, Founder

2026–present · Remote, India

- Founded and run an art mail club: one hand-made envelope a month, posted from India. First issue shipped August 2026 to 31 members.
- Designed the full brand identity, product and packaging, working inside a 50g postal weight limit that sets the shipping cost, the subscription price, and therefore who can afford to join.
- Built the website in plain HTML, CSS and JavaScript, dependency-free, deployed from GitHub, with a documented design system.
- Integrated live Razorpay checkout, a four-step member form writing into a database, and Boop Ledger, a private double-entry accounting app.
- Run all operations: printing, fulfilment, postage and member communications.

Indian Institute of Packaging, Delhi, Intern and Degree Project

2025 · Delhi and Saharanpur

- Developed SANAT, a brand and packaging system for Saharanpur's wood carving craft, under IIP's contract with the UP Government's ODOP initiative.
- Conducted field research on Abdul Salam Road, interviewing artisan families about market decline and export networks.
- Designed a four-tier stacking pack, built and photographed as a finished object. Delivered the concept to IIP for handover to the state government.

Lombardi Hotels, Gabicce Mare, Italy, Brand Design Intern

Summer 2024 · Italy

- Rebranded a three-property hotel group facing declining reservations. One identity across Hotel Adriatico, Hotel Atlas and Residence Rosa.
- Designed Alice, a character drawn from the group's own audience research, and built the campaign around her.
- Launched in the season that recorded 673 Italian reservations and 3,003 Italian room nights.

World University of Design, Social Media Team, Paid Internship

Jan–May 2023 · Second year

- Worked on the university's official Instagram under the head of marketing. Concept development, copywriting, captions and occasional reels.

The Inkwell Society, World University of Design, Co-founder and Coordinator

Founded March 2023 · 2023–24

- Proposed and co-founded WUD's first literary and debate society, with three others. Designed its identity, coordinated it for a year, then handed over. Still running.
